Respective responsibilities of the body and the auditor

This smaller authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The smaller authority prepares an annual return in accordance with proper practices which:

- summarises the accounting records for the year ended 31 March 2016; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review the annual return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and does not provide the same level of assurance that such an audit would do.

External auditor's report

Except for the matters reported below, on the basis of our review of the annual return, in our opinion the information in the annual return is in accordance with proper practices and no matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

A. As acknowledged in the Annual Governance Statement at Section 2 and the Internal Audit at Section 4, the Council has not carried out a formal assessment of its risks in 2015/16 as required by proper practices. In future the Council needs to ensure that it carries out an annual assessment of the risks it faces and identifies appropriate mitigating actions.

B. The Council states in Section 1, item 3, that in 2015/16 it has taken all reasonable steps to comply with proper practices, including regulations. However, the internal auditor has reported in Section 4 that the Council was only adopting financial regulations at its June 2016 meeting.

Other matters not affecting our opinion which we draw to the attention of the council:
